Forecast For East Midlands
Issued by Met Office Exeter
at 0400 on Saturday 16 Jan 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Rain and hill snow clearing to isolated showers.

Today:
Starting cloudy and windy with outbreaks of rain and some hill snow, but these easing from the west through the morning. A few showers spreading east in the afternoon, but mostly dry with clear spells by evening. Maximum temperature 7 deg C (45 deg F).

Tonight:
Further showers spreading east overnight, but these confined to the Derbyshire hills by Sunday morning as clear spells develop elsewhere. Becoming chilly with a touch of frost in sheltered parts. Minimum temperature 0 deg C (32 deg F).

Sunday:
After a chilly start, a generally dry day across the region with some sunny spells, especially across eastern parts. Maximum temperature 6 deg C (43 deg F).

Outlook for Monday to Wednesday:
Monday increasingly breezy and cloudy with the odd shower, and more general rain in the evening. Tuesday and Wednesday windy with outbreaks of rain, but also some drier interludes.
